Tournaments are an important part of AGCC; members are encouraged to play in as many as possible. However, we understand that members also enjoy open golf. We will do the best we can to balance tournament play with open golf.

Tournament Day (Time) – Approximate time the tournament will occupy the course: for example, a “Sunday (AM)” means the tournament will occupy the course Sunday morning, but not in the afternoon. Please check with golf shop closer to event for more detailed information.

**Denotes events that social and non-members are eligible for. Extra fees may apply.
